(Minneapolis, MN) — Elan today announced the launch of its Across the Country Charitable Giving program benefiting 50 charities across the United States. Of Elan’s 250+ active credit union partners, 50 have been randomly selected to participate in this exciting initiative to give back to the communities they serve.

The program allows each selected credit union to identify a charity of their choice, in their own community, and Elan will donate \$12,500 to the designated organization on their behalf.

“Credit unions are a vital resource for their communities, with a mission to serve members and neighbors. We’re proud to launch Across the Country Charitable Giving and help support the positive impact our credit union partners have on their communities,” said Elan’s Credit Card GM, John Owens. We believe giving back is more important than ever and including our credit union partners was a meaningful component of bringing this project to fruition.

In addition to a monetary donation to each chosen organization, Elan hopes to organize in-person volunteer events in select areas. This will provide the opportunity for Elan team members to work alongside our credit union partners and serve their neighbors.

Elan’s Across the Country Charitable Giving Program credit union partners and selected beneficiaries are:

- **1st Gateway Credit Union** (United Way of Clinton County);
- **5 Star Community Credit Union** (The Fellowship Cup);
